

Classical theory crosswalk

The contribution is the safe ordered budget combination, not renamed classical tools.

Classical source	Project result	Honest disposition
Blackwell / value of information	T-001	identity / direct consequence
Le Cam / Brown-Low	T-002, T-003	testing reduction
Fano / Assouad	T-004	appendix qualification
Uniform convergence	T-005	margin-based safe screen
Clopper-Pearson / reject option	T-006	split certificate + fallback
Cost-sensitive classification	T-007	decision metric
Active testing / SPRT	T-008	restricted rate bridge

Novelty label ceiling: NEW_COMBINATION_OF_CLASSICAL_RESULTS
